

EMPLOYEE BENEFITS GUIDE

AUGUST 1, 2026 – JULY 31, 2027

WELCOME

Valletta Industries is committed to providing a comprehensive benefits program that helps employees and their families stay healthy, feel secure, and maintain work/life balance. This guide brings the available benefit information together in one place so you can review your options and use your benefits throughout the year.

Use this guide as a convenient reference. For complete plan terms, limitations, exclusions, and eligibility requirements, always refer to the applicable plan documents. If there is a discrepancy between this guide and the governing plan documents, the plan documents will control.

401(K) RETIREMENT PLAN

VOYA FINANCIAL

Valletta Industries offers a 401(k) retirement savings plan through Voya Financial to help employees save for their future.

MANDATORY ENROLLMENT

Eligible employees are automatically enrolled in the 401(k) plan at a contribution rate of 3% of eligible pay.

EMPLOYER MATCH

Valletta Industries does not currently provide an employer matching contribution.

WANT TO CHANGE OR STOP YOUR CONTRIBUTION?

If you do not wish to participate in the 401(k) plan, you must contact Human Resources for assistance with the applicable process.

VOYA RESOURCES

Voya provides retirement planning resources, educational materials, and tools to help you understand your retirement savings and make informed financial decisions.

Voya Financial: Voya Financial – Individual Resources

Employees are encouraged to review their Voya account and available resources to understand their retirement savings, investment options, and account information.

Important: This section is intended as a summary of the Valletta Industries 401(k) benefit. The official plan documents and applicable Voya plan materials govern the terms of the plan.

IMPORTANT NOTES

- This guide is intended as an employee-friendly summary of current benefits information.
- The Medical, dental, and vision information is based on the UHC summary provided to Valletta Industries. Those source documents show a January 1, 2026 effective date; the benefits are presented here as active until further notice based on current company direction.
- The source benefits materials contain detailed plan provisions, limitations, exclusions, and eligibility rules that may not all be reproduced in this guide.
- If this guide conflicts with an official plan document, the official plan document will prevail.
- Plan availability, rates, networks, and benefit provisions may change. Employees should review current enrollment materials and plan documents before making benefit decisions.

A FINAL REMINDER

Take time to review your coverage and understand how to use your benefits before you need them. Keep this guide available throughout the plan year and contact HR, or the applicable benefit provider when you need help.
